15 Stipulation

16 The undersigned parties in this case stipulate:

17 1. On October 12, 2005 this Court ordered additional briefing on Defendant's Motion
18 for Discovery.

19 2. The defense was required to submit it's brief by October 26, 2005, and the
20 government was ordered to reply by November 2, 2005.

21 3. Early last week the defense requested that the government produce rap sheets of the
22 ten individuals (other than Defendant) who were arrested in 2003 and 2004 in San Francisco for
23 possession of firearms with obliterated serial numbers. This information is necessary for the
24 parties to brief the issue of whether these individuals are "similarly situated" to Defendant, for
25 purposes of the discovery motion.

26 4. The government was unable to produce the requested rap sheets until yesterday. The
27 rap sheets that were produced have been determined to be incomplete. The government has
28 agreed to produce complete rap sheets within the next two days.

1 5. The parties agree that due to this delay the briefing cannot be completed on the
2 original schedule. The parties further agree that as long as the rap sheets are produced no later
3 than Friday, October 28, 2005, the briefing can be completed with only a one week delay.
4 Accordingly the parties are requesting that the Court extend the briefing schedule to require the
5 defense to file it's supplemental brief by November 2, 2005, and the government to file it's
6 reply by November 9, 2005.
